Own Instructor / Own Equipment

We do not allow our equipment to be used unless a member of the archery team is present to supervise the session. You are welcome to bring your own instructors and equipment, but we will need to see a copy of their qualifications, before you will be allowed access to the range.

Additional Needs

We will try as far as possible to make the activity as inclusive as possible. Please make us aware as early as possible (via the bookings office) of any additional needs in your group, so that we may organise additional equipment or instruments as necessary.
