### Own Instructor / Own Equipment

You are welcome to bring your own instructors to run a session for you, but we will need to see a copy of their qualifications before you will be allowed access.

We do not allow our equipment (helmets, harnesses, ropes etc) to be used unless a member of our team is present to supervise the session.

### Additional Needs

We will try as far as possible to make the activity as inclusive as possible. Please make us aware as early as possible (via the bookings office) of any additional needs in your group, so that we may organise additional equipment or instruments as necessary.

### Questions?

If you have any questions, please email the archery activity team directly: [climbing@drumhill.org.uk](mailto:climbing@drumhill.org.uk)
